In the heart of the Salento Peninsula, in the town of Specchia, lies Borgo Cardigliano, a beautiful resort, recently restored and in a unique way, from a farming village in the early '900, formerly used for processing tobacco. An enchanted place that preserves the charm of the old Southern agriculture.

Cardigliano village is nestled in a quiet rural setting ancient and surprising, while offering its guests all the modern comforts of a cutting-edge facility for business meetings, receptions and exclusive events and unforgettable holidays

Invitation of the President European Organisation, Shihan Klaus Rex

Dear Budokas, OSU!!

It is with an enormous pleasure that I announce the staging of our 5th European Summer Training Camp in the beautiful Salento peninsula in the impressive surroundings of Specchia's Borgo Cardigliano resort

The last European camp held in Poland was an immense success and both EKO Vice Chairman, Shihan Sergey Lukyanchikov and I are very grateful to this year's camp director, Shihan Samuele Casto and IKKO Italia's secretary Sensei Luciano Centonze & Senpai Massimo Zocco for their production and efforts for making this camp come true. Also we are aware of the importance of Italian Branch Chief, Shihan Tommaso Nicoletti's sponsorship and personal strong persuasion to get the European training camp to Italy.

We trust that everybody is ready to live with Karate and Budo among fellow adepts and their families 24 hours a day and each and every person in their own way will benefit of this wonderful tradition.

As Mukashi no Sosai said: "do the best you can and be the greatest you can be"

Gambate kudasai, Osu!!
